#### Who we are:

- Dream Engineers and Contractors is a ISO 9001:2015 certified company, engaged in engineering and project management.
- We deal in Cross country Pipeline projects,
- Fabrication of light & heavy steel structure,
- Erection of structures & equipment's,
- Plant piping i.e. overhead, ground, underground, terminal piping, plant breakdown and shutdown jobs etc.
- We have dedicated teams of highly experienced engineers and skilled professionals expertise in executing projects.
- Provide manpower for technical field jobs, operations & maintenance on contract basis as per project requirements.

#### **Nature of Works:**

- Operations & Maintenance (O&M) of Plant and Equipment.
- Fabrication & Erection of Structural Steel and Piping.
- Cross country Pipeline projects.
- Deployment of Technical Manpower for engineering projects in metal industries.
- Annual Rate Contract in Oil & Gas Sector.

### **Our Vision:**

We're committed to delivering excellence in executing projects across India and become best Engineering & Contracting firm but not limited to HSE, Quality, Cost and Schedule.

#### **Our Mission:**

Our aim is to deliver exceptional project management and engineering services ensuring high value for our customers by implementing global best-in-class customized project, engineering management services and tools by teams of highly skilled professionals.

### **Our Values:**

We believe in working together to foster creativity and leverage individual strengths in order to achieve common goals and objectives.

## **Brief Synopsis:**

M/s Dream Engineers & Contractors was founded in the year 2005 by Mr. Lokendra Kumar Singh for its first sub contract project assignment which was for the Erection of Galvanizing - 2 Furnace, Maintenances of Gantry Cranes & Electrical Overhead Travel Cranes at Essar Steel Ltd., Hazira.

Being self skilled in this profile and having work experience of more than nine years in the field of Mechanical and Civil engineering and with support of qualified and skilled team. We completed the project successfully. We were awarded with more Mechanical contracts in the same plant and were able to execute the same with success. This is how the journey of M/s Dream Engineers and Contractors began.

## **Future Planning**

- Plan is to increase our annual turn over to 75 Crore in next 2 years which will enable us to register ourselves from proprietorship firm to Private Limited Firm.
- Enable to bring in more investment where we plan to modernise our existing machineries and equipment simultaneously adding more machineries.
- Start a fabrication division to supply for targeted projects.
- For Manpower we plan to hire and expand our current hiring team.

Thank you
